

Capability Statement

Crane hire and lifting solutions

Macweld Crane Hire acknowledges the Traditional Custodians of the lands in which we work and live. We pay respect to Elders past, present and emerging and celebrate the diversity of Aboriginal peoples and their ongoing cultures and connections to the lands and waters.

About us

Macweld Crane Hire is a leading provider of crane hire and lifting solutions. Established in 2011 and based in Port Augusta since 2021, we are Traditional Land Owner Group owned and operated, we are proud to be the first Indigenous Crane Hire business in South Australia.

With a strong focus on reliability, safety, and efficiency, Macweld Crane Hire has established itself as a reliable and experienced provider of crane hire and associated services. Our fleet includes a diverse range of cranes tailored to meet the unique needs of our clients across various industries.

Our team of skilled operators, riggers, and engineers ensures the safe and efficient execution of lifting operations, while our commitment to training and development ensures that our people are equipped with the necessary skills to exceed customer expectations.

Whether it's crane hire, rigging, lift planning, or transport and logistics solutions, Macweld Crane Hire is dedicated to delivering reliable, high-quality services that meet the diverse needs of our clients.

100%
South Australian
Owned & Operated

A unique partnership

Macweld Crane Hire is a unique partnership between Antakirinja Matu-Yankunytjatjara Nominees Pty Ltd (AMY Nominees) and one of South Australia's largest crane operators, Fleurieu Cranes Pty Ltd.

Together, the two companies work collaboratively to bring expert project delivery, through experience along with developing employment opportunities through training and mentoring to Indigenous people.

AMY Nominees Pty Ltd

AMY Nominees is a wholly owned subsidiary of Antakirinja Matu-Yankunytjatjara Aboriginal Corporation RNTBC (AMYAC), is majority owner of Macweld Crane Hire. AMY Nominees works with joint venture partners, stakeholders, and Indigenous business partnerships to undertake various contracts throughout South Australia in areas of mining, pastoral, and land management. The AMY Nominees partnership promotes indigenous employment and training in all operations.

Fleurieu Cranes Pty Ltd

Macweld Crane Hire is backed by Fleurieu Cranes, one of South Australia's largest and most trusted crane fleet managers. Fleurieu Cranes has a fleet of over 50+ cranes and over 140 personnel, along with associated transport and access equipment. This depth of inventory and knowledge provides confidence for the delivery of any project no matter the size or complexity. Fleurieu Cranes are proud to be 100% South Australian owned ensuring responsive decision-making and a key understanding of individual client and project requirements.

Our Commitment

Our vision is to lead the industry in South Australia by offering cost-effective solutions in crane hire, logistics, and material handling. We aim to achieve this by fostering a collaborative culture with our clients to effectively meet their needs and adhere to industry standards.

Our mission is to:

- Strive for **RELIABILITY** by having the best cranes with a focus on a cost-effective outcome
- Always put **SAFETY FIRST** for our people; our clients and the community
- Care for our **ENVIRONMENT** through a best work practice and continuous improvement ethos
- Invest in Training and Developing the **ABILITY** of our greatest assets (Our People) to exceed customer's needs.

Core Services

Macweld Crane Hire offers an extensive range of capabilities and services, including crane hire, lifting solutions, lift planning and transport and logistics solutions. Our flexible crane hire solutions and a 24/7 rapid response ensure Macweld Crane Hire delivers reliable and proven results.

Comprehensive Crane Hire Solutions

Macweld Crane Hire provides a comprehensive range of cranes for hire, including pick and carry cranes, slew cranes, and truck mount cranes. These cranes are available in various lifting capacities to meet the specific needs of your project requirements. Macweld Crane Hire ensures that our cranes are well-maintained, reliable, and operated by experienced professionals. Our fleet is regularly updated to ensure optimal performance and reliability, meeting the highest industry standards.

Backed by the expertise and resources of Fleurieu Cranes, one of South Australia's largest crane operators, Macweld Crane Hire combines local presence and experience with the power and equipment backing of a well-established industry leader.

Lifting Solutions

Macweld Crane Hire specialises in providing lifting solutions for a wide range of industries and projects. We have the expertise and equipment to handle complex lifting tasks across a broad sector of industries, with a strong focus on the industrial and mining sectors. Our experienced team of skilled operators deliver efficient and effective lifting solutions, ensuring precision and safety in every operation.

Rigging

Macweld Crane Hire offers rigging services to support our crane operations. Rigging involves the installation and use of various equipment, such as slings, chains, and hooks, to secure and lift loads correctly and safely. Our rigging team is trained in industry best practices and follows strict safety protocols to ensure the successful and safe execution of rigging tasks.

Rigger & Labour Services Hire

In addition to crane hire and rigging services, Macweld Crane Hire provides skilled rigger and labour services for hire. These professionals are experienced in assisting with various tasks on construction sites, including load handling, equipment setup, and general labour. Our broad expertise contributes to the smooth and efficient execution of projects.

Lift Planning & Engineering Services

Macweld Crane Hire offers lift planning and engineering services to ensure the safe and effective execution of lifting operations. This involves assessing the project requirements, analysing the load characteristics, determining the appropriate crane and rigging equipment, and developing a detailed lift plan. Our team of experienced engineers and planners ensures that all lifts are carefully planned and executed to meet safety standards and project specifications.

Transport & Logistics Solutions

Macweld Crane Hire provides transport and logistics solutions to support the seamless movement of heavy equipment and materials relating to our crane operations. We have the capability to handle the transportation of cranes, associated ancillary equipment and other large machinery to and from project sites. Our logistics team ensures efficient coordination and scheduling to meet project timelines and minimise downtime.

Key Difference

Macweld Crane Hire distinguishes itself through its extensive expertise and experience in remote and regional work, ensuring projects are completed efficiently and effectively regardless of location. With a strong emphasis on safety and reliability, Macweld Crane Hire provides superior service, leveraging advanced equipment and rigorous safety protocols to meet the highest industry standards.

Remote and regional area specialists

We are remote and regional specialists, capable of delivering projects in any environment.

Located in the Upper Spencer Gulf, Macweld Crane Hire is uniquely positioned to service the Eyre Peninsula, West Coast and Far North regions of South Australia. Our unique experience in delivering remote and regional projects ensures well planned, cost-effective and safe project delivery.

Expertise and Experience

With decades of experience in the industry, our team comprises highly skilled operators and technicians capable of handling complex projects with precision.

Macweld Crane Hire offers a comprehensive range of services beyond crane hire, including lifting solutions, rigging, rigger and labour hire services, lift planning and engineering services, transport and logistics solutions, and all with no-fuss, no-obligation site inspections. This wide range of capabilities allows us to provide comprehensive solutions to our clients' lifting and project needs.

Focus on Safety and Reliability

Macweld Crane Hire has gained a reputation for being safety-conscious, efficient, and reliable. Our commitment to safety is highlighted by our safety first culture which encompasses our people, clients, and the community. Additionally, we strive for reliability with a strong focus on having the best cranes available resulting in cost-effective outcomes.

South Australian owned and operated

Macweld Crane Hire is proud to be 100% South Australian owned ensuring responsive decision-making and a key understanding of individual client and project requirements.

Our Fleet

Backed by the best

Macweld Crane Hire is uniquely positioned by combining local expertise and experience with the robust support and equipment of Fleurieu Cranes, one of South Australia's largest crane operators.

This backing provides Macweld Crane Hire with access to a larger fleet of over 50+ cranes and over 140 personnel, as well as associated transport and access equipment. This results in increased responsiveness, flexibility, and resources to meet the varied needs of our customers.

Our diverse fleet of state-of-the-art cranes ensures we have the right equipment for any lifting requirement. We believe that operating a "young" fleet minimises downtime and maximises availability, ensuring our customers receive reliable, high-quality service with the most technologically advanced and environmentally friendly equipment available on the market.

By selecting only the best-in-class cranes from top manufacturers, we assure superior service for your projects from planning through to execution.

Accreditations

Macweld Crane Hire is committed to delivering high-quality project outcomes that meet the highest standards, while prioritising safety, maintaining sustainable work environments and respecting our indigenous culture and heritage.

Safety

We prioritise a 'Safety First' culture, setting the industry standard by ensuring safe work environments for our staff, project partners, and community. Our commitment to safety is backed by our ISO 45001:2018 certification, exemplary safety record, and comprehensive policies.

At Macweld Crane Hire, the health and well-being of our staff and project partners are our main priorities. Our skilled team is our greatest asset, and their safety is our responsibility. We also prioritise the safety of our project partners, contractors, and the community.

All staff and contractors at Macweld Crane Hire are dedicated to maintaining our high safety standards through our HSEQ management system. We ensure everyone understands and supports our 'Safety First' vision by promoting clear and open communication, which helps prevent injuries and improves safety performance.

Quality

We are dedicated to achieving quality project outcomes by upholding high standards of leadership, professionalism, and customer service.

Our focus on delivering top-quality products and services is supported by our ISO 9001:2015 certification, which confirms our commitment to understanding and meeting each customer's individual needs.

Environmental

We strive to protect and preserve the environments in which we operate by continuously innovating and reducing our carbon footprint. Our commitment to environmental protection is validated by our ISO 14001:2015 certified Environmental Management Systems.

Reducing our environmental impact is integral to all our operations, beginning with meticulous planning and consideration in every project. Our environmental policy reflects our dedication to the broader community, recognising the importance of sustainability.

All Macweld Crane Hire employees are responsible for performing their duties in a manner that ensures environmental safety and compliance with the Environmental Protection Act 1993.

Supply Nation

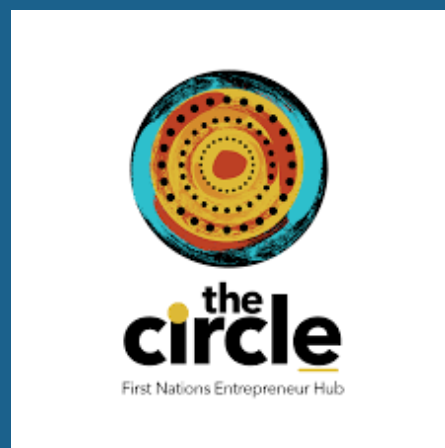

We are proud to be an Indigenous-owned and operated enterprise and focused on advancing the careers of indigenous people. Our Supply Nation certification officially recognises our commitment and dedication to fostering diversity and inclusion. This certification not only highlights our commitment to social responsibility and ethical practices but also supports the economic empowerment and growth of Indigenous communities. Macweld Crane Hire - building a more equitable and inclusive workplace.

The Circle

Macweld Crane Hire are a members of The Circle - First Nations Entrepreneur Hub. Developed by the Australian Government and the South Australian Government, this initiative offers access to a supportive network for Aboriginal and Torres Strait Islander businesses in South Australia.

The Circle provides personalised business development support, expert advice, networking opportunities, and connections to new markets. The hub provides a culturally appropriate approach to reduce gaps in existing services and helps businesses grow in capacity, capability, and confidence.
